Antlered Bull winter hunt in GMU 18 near Quinhagak

(Bethel) The Alaska Department of Fish and Game announces an emergency opening for moose hunting in a portion of Unit 18. This Emergency Order opens and extends the state resident moose season in Unit 18 covered under that portion south of the Eek River drainage and north of and including the Carter Bay drainage, under the registration permit hunt RM617. The season will open December 1, 2021, and end December 15, 2021. The bag limit for the winter season in this hunt is one antlered bull. Permits for this hunt can be obtained in the community of Quinhagak, online or from the from the Alaska Department of Fish and Game office in Bethel beginning November 29, 2021. The season will close on December 15, 2021. Hunters that harvested a moose after July 1, 2021, may not participate.
